

# RESIDENTIAL POLICIES AND REGULATIONS

---

Many UNH students are a part of the community living environment provided by UNH's residence halls and apartments. As a resident, students can immerse themselves in a community of fellow students, live right on UNH's campus, and enjoy conveniences not found in most student apartments.

In addition to the policies described in the Prohibited Conduct section of UNH's Code of Conduct, all students living in UNH's residence hall or on-campus apartments and their guests are expected to adhere to the Residential Policies and Regulations. In addition, some of the policies in the Students Policies and Regulations section have specific guidelines for students living in the residence halls: (1) Alcohol and (2) Fire Safety.
