

CROSS CAMPUS REGISTRATION

Eligibility of undergraduate students to register for courses offered by a UNH campus other than the students affiliated campus follows the general rules below.

General Rules

- **Durham Students**
 - May enroll in courses offered by the College of Professional Studies (CPS) Manchester campus.
 - Fall & Spring: May not enroll in courses offered by the College of Professional Studies (CPS) Online campus.
 - Summer: May enroll in courses offered by the College of Professional Studies (CPS) Online campus.
- **College of Professional Studies (CPS) - Manchester Students**
 - May enroll in courses offered by the Durham campus.
 - May enroll in courses offered by the College of Professional Studies (CPS) Online campus.
- **College of Professional Studies (CPS) - Online Students**
 - May enroll in courses offered by the College of Professional Studies (CPS) Manchester campus.
 - May enroll in courses offered by the Durham campus.

Notes

- Affiliated campus is designated by the campus of the students primary major.
- Students should consult with their academic advisor to determine courses appropriate for cross campus registration.
- Cross campus registration is limited by space availability in courses.
- Courses may have additional campus, college, or major restrictions or require special permission to register.
- A comprehensive [schedule of course offerings](#) is published online and includes information about any additional registration restrictions.
