

TRANSCRIPTS

Official academic records are maintained in the [Office of the Registrar](#) at the University of New Hampshire.

A university transcript (academic record) is an official document issued by an educational institution that provides a comprehensive record of a student's academic achievements, including courses taken, grades received, GPA, and degree(s) conferred. Official transcripts bear the University seal and the signature of the University Registrar. The university partners with Parchment for its online ordering and official transcript production. Unofficial transcripts are available to students in Webcat.
