

BUSINESS ADMINISTRATION MAJOR: SUPPLY CHAIN MANAGEMENT OPTION (B.S.)

<https://paulcollege.unh.edu/program/ba/business-administration-major-supply-chain-management-option>

Description

The Supply Chain Management (SCM) Option is designed for students eager to leverage data analytics and sustainable practices to optimize the flow of goods and services in global markets. Recognizing the pivotal role of supply chains in today's business landscape, the SCM Option equips future leaders with the skills needed to tackle operational challenges and formulate strategic solutions. SCM students will be well-prepared to navigate diverse industries, equipped with an understanding of essential supply chain functions such as planning, forecasting, procurement, logistics, distribution, and price optimization. Graduates will be ready to drive innovation and deliver impactful solutions to real-world business challenges.

Requirements

Degree Requirements

Minimum Credit Requirement: 128 credits

Minimum Residency Requirement: 32 credits must be taken at UNH

Minimum GPA: 2.0 required for conferral*

Core Curriculum Required: Discovery & Writing Program Requirements

Foreign Language Requirement: No

All Major, Option and Elective Requirements as indicated.

*Major GPA requirements as indicated.

Major Requirements

A typical plan of study follows, showing the major-required courses. Students take 16-18 credits per semester. Discovery Program requirements (including the Inquiry requirement in the first two years) and elective courses are taken as well. Students are expected to follow this course plan. In the first three semesters, students cannot take more than two major courses in a single semester. The options have additional requirements as noted. For a detailed schedule/plan of study for each option, students should check with the Paul College Undergraduate Programs and Advising Office for specific recommendations.
