Description

The Department of Kinesiology offers an interdisciplinary curriculum for nonmajors, which is designed to provide students with the basic knowledge of human movement and sport sciences. The minor consists of courses offered by several options within the department.

Requirements

Minor Requirements

Academic policies related to Minors.

Credits towards the minor come from courses in EXSC, HPE, HS, KIN, and/or SML.

No more than 6 of the 20 credits may be in activity or coaching courses.

Must have a C- (or better) in all graded courses. Pass/Fail option may NOT be used. Courses designated Credit/Fail MAY be used.

No more than 8 credits may satisfy BOTH major and minor requirements.

Please note: The designation of the completed minor will be "Kinesiology" which means students may create an emphasis in a particular area (i.e. Exercise Science, Health Sciences, Health and Physical Education, Sport Management and Leadership) or take classes from multiple areas in Kinesiology.
