

RECREATION MANAGEMENT AND POLICY MAJOR: TOURISM AND EVENT MANAGEMENT OPTION (B.S.)

<https://chhs.unh.edu/recreation-management-policy/program/bs/recreation-management-policy-major-tourism-event-management-option>

Description

This option equips students with an entrepreneurial mindset and prepares students for career-track positions in tourism and event management organizations, emphasizing planning, leadership, and administrative concepts. Students learn to apply skills in settings such as destination marketing and management firms, resorts, residential facilities, community development agencies, and festival and event businesses. To change your major to TEM, complete the [online change of major form](#). TEM applications are accepted throughout the year and decisions are made on a rolling admission basis. If you have questions about the program and event management option, please contact [Sean McLaughlin](#) (sean.mclaughlin@unh.edu).

Professional Internship

A supervised internship (RMP 764) is required of all majors and serves as their **major capstone requirement**. The internship is designed to create a bridge between theory and practical application. Students, working with their advisers and the internship coordinator, select an appropriate setting based on their professional and career interests. They must register for an **8 or 12 credit full-time internship** that ranges from 10 to 16 weeks and is under the supervision of a qualified professional. Specific requirements are identified in the *Internship Manual* available from the Department of Recreation Management and Policy.

Degree Plan

Sample Degree Plan

This sample degree plan serves as a general guide; students collaborate with their academic advisor to develop a personalized degree plan to meet their academic goals and program requirements.
