

GEOGRAPHY (MINOR)

<https://cola.unh.edu/geography/program/minor/geography>

Description

The geography minor allows undergraduates to explore one or more of the three main areas of geography — human geography, environmental geography and geotechniques. Studying geography prepares students to pursue a wide variety of careers or enter graduate school.

Requirements

- [Academic policies related to minors.](#)
- Students must complete five geography (GEOG) courses (20 credits) for the minor with a minimum grade of C- or better.
- Courses taken Pass/Fail cannot be used for the minor.
