

LINGUISTICS MINOR

<https://cola.unh.edu/linguistics/program/minor/linguistics>

Description

Linguistics is the study of one of the most important characteristics of human beings—language. It cuts across the boundaries between the sciences and the humanities. Students interested in the minor should consult with Prof. Rachel Burdin, rachel.burdin@unh.edu, (603) 862-1088 the program coordinator, or with any professor who teaches linguistics courses.
