

COMMUNITY LEADERSHIP MINOR

<https://manchester.unh.edu/program/minor/community-leadership>

Description

The Community Leadership Minor provides students with opportunities to develop leadership principles, values, practices, and processes with a combination of academic and experiential learning. Coursework emphasizes hands-on student involvement and learning in a variety of settings to build professional and civic competencies.

Upon the completion of the Community Leadership Minor, students will be able to:

- Demonstrate the six Career and Leadership Competencies (critical thinking, communication, teamwork, self-awareness, professionalism, and leadership) necessary to be an effective leader and community member.
- Apply concepts of social justice topics, including social identities, privilege, and power into current and future leadership roles.
- Articulate and apply their leadership philosophy, skills, and attributes into current and future leadership roles.

Requirements

The Community Leadership Minor consists of 20 credits from the courses below. The minimum grade requirement for each course is C-.
