

APPLIED PSYCHOLOGY (MINOR)

Description

The minor in applied psychology is designed to provide the student with the foundational education in psychology.

NOTE: This minor may not be declared with the following majors: BS Human Services: Applied Psychology or BS Applied Psychology (all options).

Requirements

All minor courses must be completed with a minimum grade of C-, and a 2.0 grade point average must be maintained in courses for the minor. Two courses must be at the upper level (600 or 700). Only 8 credits may overlap between major and minor.

Student Learning Outcomes

Program Learning Outcomes

Students will have the opportunity to:

- Demonstrate a breadth of knowledge and application of psychological ideas to simple problems.
- Interpret behavior to draw conclusions about psychological phenomena.
- Demonstrate familiarity with the formal regulations that govern professional ethics in psychology and begin to embrace the values that will contribute to positive outcomes in work settings and in building a society responsive to multicultural and global concerns.
- Present information using a scientific approach and express ideas with clarity.
