

BUSINESS MANAGEMENT MAJOR: ENTREPRENEURSHIP AND INNOVATION OPTION (B.S.)

<https://cps.unh.edu/online/program/bs/business-management-entrepreneurship-innovation-option>

Description

The Bachelor of Science degree in Business Management offers students the appropriate breadth and depth of study with a concentration of five courses to pursue other areas of interest in management.

The degree is responsive to the education needs of businesses and includes an appropriate foundation for further graduate study. The outcomes-based program is built upon a foundation of six essential competencies that are integrated throughout the curriculum: critical thinking, effective oral and written communication, applied quantitative analysis, managing in a global environment, ethical practice, and leadership.

Requirements

Degree Requirements

Minimum Credit Requirement: 120 credits

Minimum Residency Requirement: 30 credits must be taken at UNH

Minimum Cumulative GPA: 2.0 is required for conferral*

Core Curriculum Required: General Education Program

Student Learning Outcomes

Program Learning Outcomes

- Apply business management theories related to production and operations, organizational behavior, human resource management, and leadership throughout various functional areas of organizations.
- Communicate organizational information effectively across an organization through the use of information systems, to a broad spectrum of audiences and in a variety of business situations.
- Apply quantitative tools and information systems in business analysis and decision-making.

- Critically analyze, research and articulate organizational strengths and weaknesses in areas such as competitive advantage, operations, human resources, marketing, financial and strategic positioning.
- Make legal and ethical individual and business decisions based on legalities, evaluation of business sustainability (environmental, socio/cultural, economic, institutional) and ethical practice.
- Manage and lead to enhance the effectiveness of individuals, teams, and business organizations in a global environment.
- Develop feasible entrepreneurial business strategies through clear stakeholder communication, command of the innovation process, funding resources, market research, and the formation of creative culture.
