

NURSING MAJOR (B.S.N.) CPSO

<https://cps.unh.edu/online/program/bsn/nursing-rn-bsn-bachelors-completion>

Description

RN to BSN

The mission of the RN to BSN program is to prepare registered nurses to meet the dynamic health care needs of diverse populations in New Hampshire and beyond while working in collaborative, inter-professional and evidence-based practice environments. The program is accredited by [Commission on Collegiate Nursing Education](#).

Additional Admissions Criteria for Full Acceptance to the RN to BSN Program

- **License:** An active RN license issued from the state where the student is currently practicing; and
- **Education:** Graduate from a regionally and nationally accredited nursing program.

Conditional Admissions

Those who have not yet fulfilled the additional criteria can begin as a conditionally admitted student. During this time, you can take the following courses:

- Non-NUR courses
- NUR 600 Enhancing Your Nursing Career

Academic Advisor approval is required for course registration to be processed.

Requirements

Degree Requirements

Minimum Credit Requirement: 120 credits

Minimum Residency Requirement: 30 credits must be taken at UNH

Minimum Cumulative GPA: 2.0 is required for conferral*

Core Curriculum Required: General Education Program

Major, Option and Elective Requirements as indicated.

**GPA: Major and any state certification GPA requirements may be higher and are indicated in program details.*

A minimum grade of C- is required in all Major coursework. Some programs may have higher grade requirements for Major coursework as noted in the Major requirements section below. Students are allowed a maximum of two course overlaps. Overlaps can be used between Major, Minor, and General Education requirements with only 8 credits overlapped between the Major and Minor. Please note that Option requirements are

considered part of the Major. Students must complete 16 upper-level credits in majors within the College of Professional Studies, Online.

Writing Program Requirements

All bachelor's degree candidates are required to complete four writing intensive courses as part of the University [Writing Program Requirements](#) as follows:

Code	Title	Credits
ENG 420	The Writing Process	
One Writing Intensive course in the Major		
One Writing Intensive course at the 600-level or above		
One Additional Writing Intensive Course		

Writing Intensive courses are identified with the label "Writing Intensive Course" in the "Attributes" section of the course description and/or a W following the course number.

Core Curriculum General Education Requirements-Satisfied with Associate Degree

An applicant with a Bachelor's or Master's Degree in another discipline will be required to take only the 30 credits of nursing courses, in addition to meeting the Writing Intensive requirements. MTH 504 Statistics will be required if not satisfied in transfer.

Major Requirements

A minimum grade of C is required in all Major coursework. Students are allowed a maximum of two course overlaps. Overlaps can be used between Major, Minor and General Education requirements with only one overlap being utilized between the Major and Minor.

For CRIT 602, SOCI/SOSC Elective, and IDIS 601: Students who do not achieve a C or better may repeat each course one time only.

For all HLTC and NUR courses: Students are allowed to repeat only one of these required courses. Any other course failures may only be repeated with departmental approval. Subsequent failures will result in dismissal from the nursing program.

A minimum GPA of 2.5 in the major is required.

Prerequisite: Conferred Associate Degree in Nursing Required, Registered Nursing License Required

Prior to capstone enrollment, students are expected to complete all General Education program requirements. Students should consult with their advisor regarding specific major courses that may be completed with their capstone. Refer to the Degree Plan for a sample course sequence. Academic Advisor approval is required for registration to be processed.
