

# DIGITAL COMMUNICATION DESIGN MAJOR: WRITING FOR VISUAL MEDIA OPTION (B.S.)

<https://cps.unh.edu/online/program/bs/digital-communication-design-writing-visual-media-option>

## Description

The Bachelor of Science in Digital Communication Design prepares students for the expanding fields of digital communication and social media as used in business and the public sphere to market products, establish brands, enhance an organization's presence in the public eye, and support the democratization of society. The program integrates technical and creative disciplines through study of communication modes, media design, marketing fundamentals, and information technology. The B.S. in Digital Communication Design fosters learning that prepares graduates to make a strategic contribution in public and private enterprises that require the ability to convey messages effectively, manage information appropriately, respond to emerging environments, and employ technology strategically in a digital environment.

## Requirements

### Degree Requirements

**Minimum Credit Requirement:** 120 credits

**Minimum Residency Requirement:** 30 credits must be taken at UNH

**Minimum Cumulative GPA:** 2.0 is required for conferral\*

**Core Curriculum Required:** General Education Program

Major, Option and Elective Requirements as indicated.

*\*GPA: Major and any state certification GPA requirements may be higher and are indicated in program details.*

A minimum grade of C- is required in all Major coursework. Some programs may have higher grade requirements for Major coursework as noted in the Major requirements section below. Students are allowed a maximum of two course overlaps. Overlaps can be used between Major, Minor, and General Education requirements with only 8 credits overlapped between the Major and Minor. Please note that Option requirements are considered part of the Major. Students must complete 16 upper-level credits in majors within the College of Professional Studies, Online.

### General Education Program Requirements

A minimum grade of D- is required in all General Education coursework. Students are allowed a maximum of two course overlaps. Overlaps can be used between Major, Minor and General Education requirements with only 8 credits overlapped between the Major and Minor.

All General Education requirements must be taken prior to the capstone.

Code	Title	Credits
ENG 420	The Writing Process	4
COM 460	Interpersonal Communication and Group Dynamics	4
COM 480	Visual Communication	4

CRIT 501	Introduction to Critical Inquiry	4
Select one of the following:		4
MTH 402	Math for Our World	
MTH 504	Statistics

COM 665	Media and Strategic Communication	
or COM 670	Advanced Visual Communication	
or DAT 510	Introduction to Data Analytics	
or DAT 535	Data Mining, Cleaning, and Visualization	
or MKT 600	Social Media Marketing	
or MKT 720	Digital Advertising	

*Integrative Capstone*

COM 798	Integrative Capstone: Project in Digital Communication Design	4
Total Credits		60

Electives

Open electives are courses students will need to take in addition to their general education and major requirements in order to satisfy the remaining credit totals for their programs. Open electives are defined as any credit course offered by the College not already included in the student’s general education, major, option or minor. Students will need 120 credits total to graduate with a bachelor’s degree from the Online Division of the College of Professional Studies.

Degree Plan

This degree plan is a sample and does not reflect the impact of transfer credit or current course offerings. UNH CPS Online undergraduate students should develop individual academic plans with their academic advisor during their first year at UNH.

Total Credits		120

Student Learning Outcomes

Program Learning Outcomes

- Express ideas and concepts through the development of digital content.
- Employ sound design principles throughout the design process.
- Select and use appropriate technologies for specific media and design objectives.
- Implement and assess approaches for strategic content creation and development through digital communication.
- Develop specialized knowledge and skill in a specific aspect or professional practice within digital communication.

- Apply theories of communication to individuals, groups, and mass media.
- Employ an understanding of the impact of cultural differences on digital media in a global context.
- Demonstrate aptitude with research methodology and data analysis as these inform the fields of communication and media production.
- Integrate individual reflection on questions of ethics, privacy, conflict, and citizenship as these inform digital media.
