

COMPUTER INFORMATION TECHNOLOGY MINOR

<https://cps.unh.edu/program/minor/computer-information-technology>

Description

This minor enables managers at any level to understand and use information technology as a resource to improve an organization's efficiency.

Note: This minor may not be declared with the following majors: B.S. Technology Management or B.S. Computer Information Technology (all options).

Requirements

All minor courses must be completed with a minimum grade of C-, and a 2.0 grade point average must be maintained in courses for the minor. Two courses must be at the upper level (600 or 700). Only 8 credits may overlap between major and minor.
